Scope (Target audience)

This course is aimed at seafarers currently in a position of Safety Officer or Safety Representative, or those who are about to enter such position and personnel wishing to update their knowledge on shipboard safety management.

Objective

This course supports international standards of training for Shipboard Safety Officers based on the STCW Code Tables A-II/2 and A-III/3, IMO Model Course 3.11 and Code of Safe Working Practice for Merchant Seafarers (COSWP 13.3.2.2. and 13.4.2.2.)

Course content

- The tasks of the safety committee
- The rights and roles of members of the safety committee
- How to carry out risk assessment and management
- How to provide necessary advice to resolve safety concerns or problems and to encourage adherence to prevention principles
- Supervision of safety tasks assigned to crew and other seafarers on board, and passengers where applicable
- Accident and incident investigation, analysis and making appropriate corrective and preventive recommendations to prevent their recurrence
- How to obtain relevant information on safe and healthy working environment from the competent authority and the Company
- Effective means of communication with a multinational crew
- The commitment required to promote a safe working environment on board

Prerequisite

- Identification card or passport

Note to client

After successful completion of the course candidates will receive a Shipboard Safety Officer Course certificate.
