

Refresher Advanced training in Fire Fighting

Durations:
8 hrs

**Scope
(Target
audience)**

This model course aims to provide the training for candidates to launch and take charge of a refresher advanced training in fire-fighting, in accordance with requirements of Regulation VI/3, Section A-VI/3 paragraph 5 and Table A-VI/3 of the STCW Code as amended and IMO Model Course 2.03.

Objective

This full day course involves group work. The content is focused on controlling firefighting operations on board ship, organizing and training fire parties, fixed systems and fire investigation.

**Course
content**

- Control fire-fighting operations aboard ship
- Organize and train fire parties
- Inspect and service fire detection and extinguishing systems and equipment
- Investigate and compile reports on incidents involving fire

Prerequisite

- Advanced Fire Fighting Certificate
- Identification card or passport
- 2 passport size colored photographs

Note to client

After successful completion of the course and examination candidates will receive a refresher Advanced Fire Fighting course certificate.
